- Names and whereabouts of anyone else with possible information

Debenham Family History

Pitfalls

- Names - Nicknames, common abbreviations, reversed names, married or maiden surnames
- Relationships - to whom?
- Approximate dates are better than none
- Beware of upgraded occupations
- Addresses - where born or where brought up?

Debenham Family History

“With poor knowledge of the sources and little care, the person who comes out of the shadows may just be a skeleton or more often a botched up monster of a Frankenstein, two people rolled into one, or one cut down the middles and married off to someone he probably never knew in real life”

Anthony Camp

Record Keeping

- Write down everything
- Transcribe accurately
- Make notes of where you have searched - and for what
- Record negative searches
- Process the information as soon as possible
- Identify your sources
- If you are recording information that has not yet been authenticated, say so
- Keep your system flexible
- Keep copies, and backups, of your work

Debenham Family History

A Good Family Tree

- Is readable
- Is accurate
- Can be easily duplicated - Max photocopyable size is A2
- Makes it clear when information has yet to be authenticated
- Includes date and place names
- Has the months in words, not numerals
- Uses standard abbreviations
- Includes the name and address of the compiler

Debenham Family History

Conventions

- People of the same generation will appear on the same horizontal line
- Children will be recorded in order of Birth (eldest on the left)
- Use recognised abbreviations
- There will be no crossed lines
